**First Fast Food**

John Montagu was the 4<sup>th</sup> Earl (граф) of Sandwich. He lived in England in the 17<sup>th</sup> century. He loved to sit at the table and play cards with his friends. John didn't like to stop for a meal. That is why he often asked to bring him meat between two pieces of bread.

Now people don't remember that story but still call this fast food a Sandwich. Today we usually put some butter on the bread. Some of us like to use different fillings such as ham, cheese or eggs.
